### Notes

Thanks very much for being willing to serve us at 6.00pm church. Your participation in our gatherings is an encouragement to all and a sign of a healthy congregation.

1. The number of the reading (1 or 2) does not necessarily reflect the order in which the readings will be read in church.
2. Where 'TBA' (to be advised) appears it means the reading for that week was not set at the time the roster was finalised. Please contact the church office by Thursday of the week of your reading for the correct reading. Hopefully the service leader will contact you to confirm the reading as well.
3. If you can't meet for church on a week where you are rostered could you **please organise a swap with someone** and then let the Office know (9918 2829; mail@stmarksavalon.org.au).
4. Welcomers – please be at church by 5:40pm in order to set up etc.
5. Bible readers – please practice your reading in the week leading up to church. It really does make a difference!
